the list of States falling within this exemption; or

(b) Property securing any loan with an original principal balance of \$5,000 or less and a repayment term of one year or less.

§ 760.5 Escrow requirement.

If a credit union requires the escrow of taxes, insurance premiums, fees, or any other charges for a loan secured by *residential* improved real estate or a mobile home that is made, increased, extended, or renewed on or after November 1, 1996, the credit union shall also require the escrow of all premiums and fees for any flood insurance required under § 760.3. The credit union, or a servicer acting on behalf of the credit union, shall deposit the flood insurance premiums on behalf of the borrower in an escrow account. This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. Following receipt of a notice from the Director of FEMA or other provider of flood insurance that premiums are due, the credit union, or a servicer acting on behalf of the credit union, shall pay the amount owed to the insurance provider from the escrow account by the date when such premiums are due.

§ 760.6 Required use of standard flood hazard determination form.

(a) *Use of form.* A credit union shall use the standard flood hazard determination form developed by the Director when determining whether the building or mobile home offered as collateral security for a loan is or will be located in a special flood hazard area in which flood insurance is available under the Act. The standard flood hazard determination form may be used in a printed, computerized, or electronic manner. A credit union may obtain the standard flood hazard determination form from FEMA, P.O. Box 2012, Jessup, MD 20794-2012.

(b) *Retention of form.* A credit union shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the credit union owns the loan.

§ 760.7 Forced placement of flood insurance.

If a credit union, or a servicer acting on behalf of the credit union, determines, at any time during the term of a designated loan that the building or mobile home and any personal property securing the designated loan is not covered by flood insurance or is covered by flood insurance in an amount less than the amount required under § 760.3, then the credit union or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower's expense, in an amount at least equal to the amount required under § 760.3, for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the credit union or its servicer shall purchase insurance on the borrower's behalf. The credit union or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 760.8 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4129), any credit union, or a servicer acting on behalf of the credit union, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area.
