

§ 707.7

(1) *Annual percentage yield earned.* The “annual percentage yield earned,” using that term as calculated according to the rules in appendix A of this part.

(2) *Amount of dividends.* The dollar amount of dividends earned (accrued or paid and credited) on the account. The dollar amount of any extraordinary dividends earned during the statement period shall be shown as a separate figure.

(3) *Fees imposed.* Fees required to be disclosed under § 707.4(b)(4) of this part that were debited from the account during the statement period. The fees must be itemized by type and dollar amounts. Except as provided in § 707.11(a)(1) of this part, when fees of the same type are imposed more than once in a statement period, a credit union may itemize each fee separately or group the fees together and disclose a total dollar amount for all fees of that type.

(4) *Length of period.* The total number of days in the statement period, or the beginning and ending dates of the period.

§ 707.7 Payment of dividends.

(a) *Permissible methods*—(1) *Balance on which dividends are calculated.* Credit unions shall calculate dividends on the full amount of principal in an account for each day by use of either the daily balance method or the average daily balance method. Credit unions shall calculate dividends by use of a daily rate of at least $\frac{1}{365}$ of the dividend rate. In a leap year a daily rate of $\frac{1}{366}$ of the dividend rate may be used.

(2) *Determination of minimum balance to earn dividends.* A credit union shall use the same method to determine any minimum balance required to earn dividends as it uses to determine the balance on which dividends are calculated. A credit union may use an additional method that is unequivocally beneficial to the member.

(b) *Compounding and crediting policies.* This section does not require credit

12 CFR Ch. VII (1-1-06 Edition)

unions to compound or credit dividends at any particular frequency.

(c) *Date dividends begin to accrue.* Dividends shall begin to accrue not later than the day specified in section 606 of the Expedited Funds Availability Act (12 U.S.C. 4005) and implementing Regulation CC (12 CFR part 229). Dividends shall accrue on funds until the day funds are withdrawn.

§ 707.8 Advertising.

(a) *Misleading or inaccurate advertisements.* An advertisement must not:

(1) Be misleading or inaccurate or misrepresent a credit union's account agreement; or

(2) Refer to or describe an account as “free” or “no cost” or contain a similar term if any maintenance or activity fee may be imposed on the account. The word “profit” must not be used in referring to dividends or interest paid on an account.

(b) *Permissible rates.* If an advertisement states a rate of return, it shall state the rate as an “annual percentage yield,” using that term. (The abbreviation “APY” may be used provided the term “annual percentage yield” is stated at least once in the advertisement.) The advertisement shall not state any other rate, except that the “dividend rate,” using that term, may be stated in conjunction with, but not more conspicuously than, the annual percentage yield to which it relates.

(c) *When additional disclosures are required.* Except as provided in paragraph (e) of this section, if the annual percentage yield is stated in an advertisement, the advertisement shall state the following information, to the extent applicable, clearly and conspicuously:

(1) *Variable rates.* For variable-rate accounts, a statement that the rate may change after the account is opened.

(2) *Time annual percentage yield is offered.* For interest-bearing accounts and dividend-bearing term share accounts, the period of time the annual percentage yield will be offered, or a
