§712.1 What does this part cover?

This part establishes when a Federal credit union (FCU) can invest in and make loans to CUSOs. CUSOs are subject to review by NCUA. This part does not apply to corporate credit unions that have CUSOs subject to §704.11 of this title. This part does not apply to state-chartered credit unions or the subsidiaries of state-chartered credit unions that do not have FCU investments or loans.

§712.2 How much can an FCU invest in or loan to CUSOs, and what parties may participate?

(a) *Investments.* An FCU's total investments in CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report.

(b) *Loans.* An FCU's total loans to CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. Loan authority is independent and separate from the 1% investment authority of subsection (a) of this section.

(c) *Parties.* An FCU may invest in or loan to a CUSO by itself, with other credit unions, or with non-credit union parties.

(d) *Measurement for calculating regulatory limitation.* For purposes of paragraphs (a) and (b) of this section:

An FCU may continue to invest up to 1% without regard to the increase in the GAAP valuation resulting from a CUSO's profitability.
