

§ 608.823

12 CFR Ch. VI (1-1-06 Edition)

an official arranged for by the FCA who shall be a hearing official not under the control of the Chairman of the Farm Credit Administration, or an administrative law judge;

(6) That the filing of a petition for hearing within 15 calendar days after receipt of the Notice will stay the commencement of collection proceedings;

(7) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the written request for review unless the employee requests, and the hearing official grants, a delay in the proceedings;

(8) The right of the debtor to offer to enter into a written agreement with the FCA to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the FCA;

(9) That charges for interest, penalties, and administrative costs shall be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date. The debtor shall be informed that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards (4 CFR parts 103 and 104);

(10) The amount of accrued interest and the amount of any other penalties or administrative costs which may have been added to the principal debt;

(11) That if the debtor has not entered into an agreement with the FCA to pay the debt, has not requested the FCA to review the debt, or has not paid the debt prior to the date on which the offset is to be imposed, the FCA intends to collect the debt by administrative [or salary] offset or by requesting other Federal agencies for assistance in collecting the debt by offset. The debtor shall be informed that the offset shall be imposed against any funds that might become available to the debtor, until the principal debt and all accumulated interest and other charges are paid in full;

(12) The date on which the offset will be imposed, which shall be 31 calendar days from the date of mailing or hand delivery of the Notice. The debtor shall be informed that the FCA reserves the right to impose an offset prior to this

date if the FCA determines that immediate action is necessary;

(13) That any knowingly false or frivolous statements, representations, or evidence may subject the debtor to:

(i) Penalties under the False Claims Act, sections 3729 through 3731 of title 31, United States Code, or any other applicable statutory authority;

(ii) Criminal penalties under sections 286, 287, 1001, and 1002 of title 18, United States Code, or any other applicable statutory authority; and, with regard to employees,

(iii) Disciplinary procedures appropriate under chapter 75 of title 5, United States Code; part 752 of title 5, Code of Federal Regulations, or any other applicable statute or regulation;

(14) The name and address of the FCA official to whom the debtor shall send all correspondence relating to the debt or the offset;

(15) Any other rights and remedies available to the debtor under statutes or regulations governing the program for which the collection is being made;

(16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt, which are later waived or found not owed to the United States, will be promptly refunded to the employee; and

(17) Other information, as may be appropriate.

(c) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the FCA is not required to duplicate those requirements before effecting offset.

§ 608.823 Right to review of claim.

(a) If the debtor disputes the claim, the debtor may request a review of the FCA's determination of the existence of the debt, the amount of the debt, the propriety of collecting the debt by offset, and in the case of salary offset, the propriety of the proposed repayment schedule. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.

(b) To obtain a review, the debtor shall submit a written request for review to the FCA official named in the

Farm Credit Administration

§ 608.825

Notice of Intent to Collect by Administrative [or Salary] Offset within 15 calendar days after receipt of the notice. The debtor's written request for review shall state the basis on which the claim is disputed and shall specify whether the debtor requests an oral hearing or a review of the written record of the claim. If an oral hearing is requested, the debtor shall explain in the request why the matter cannot be resolved by a review of the documentary evidence alone.

(c) The FCA shall promptly notify the debtor, in writing, that the FCA has received the request for review. The FCA shall conduct its review of the claim in accordance with § 608.810.

(d) The FCA's review of the claim, under this section, shall include providing the debtor with a reasonable opportunity for an oral hearing if:

(1) An applicable statute authorizes or requires the FCA to consider waiver of the indebtedness, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the FCA determines that the question of the indebtedness cannot be resolved by reviewing the documentary evidence; for example, when the validity of the debt turns on an issue of credibility or veracity.

(e) A debtor waives the right to a hearing and will have his or her debt offset in accordance with the proposed offset schedule if the debtor:

(1) Fails to file a written request for review within the timeframe set forth in paragraph (b) of this section, unless the FCA determines that the delay was the result of circumstances beyond his or her control; or

(2) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that the failure to appear was due to circumstances beyond the employee's control.

(f) Upon completion of its review of the claim, the FCA shall notify the debtor whether the FCA's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official, pursuant to

§ 608.810(e). If the FCA's determination is sustained, this notification shall contain a provision which states that the FCA intends to collect the debt by offset or by requesting other Federal agencies for assistance in collecting the debt.

(g) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the FCA is not required to duplicate those requirements before effecting offset.

§ 608.824 Waiver of procedural requirements.

(a) The FCA may impose offset against a payment to be made to a debtor prior to the completion of the procedures required by this part, if:

(1) Failure to impose the offset would substantially prejudice the Government's ability to collect the debt; and

(2) The timing of the payment against which the offset will be imposed does not reasonably permit the completion of those procedures.

(b) The procedures required by this part shall be complied with promptly after the offset is imposed. Amounts recovered by offset, which are later found not to be owed to the Government, shall be promptly refunded to the debtor.

§ 608.825 Coordinating offset with other Federal agencies.

(a)(1) Any creditor agency which requests the FCA to impose an offset against amounts owed to the debtor shall submit to the FCA a claim certification which meets the requirements of this paragraph. The FCA shall submit the same certification to any agency that the FCA requests to effect an offset.

(2) The claim certification shall be in writing. It shall certify the debtor owes the debt and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. If the intended offset is to be a salary offset, a claim certification shall instead certify that the debtor owes the debt and that the applicable requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.
