(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of Federal agencies responsible for the regulation or supervision of financial institutions;

(9) Disclose information the premature disclosure of which would be likely to (i)(A) lead to significant speculation in currencies, securities, or commodities, or (B) significantly endanger the stability of any financial institution, or (ii) be likely to significantly frustrate implementation of a proposed action,

except that this paragraph (a)(9) shall not apply in any instance where the Board has already disclosed to the public the content or nature of its proposed action, or where the Board is required by law to make such disclosure on its own initiative prior to taking final action on such proposal; or

the record after opportunity for a hearing.

(b) Prior to closing a meeting whose discussions are likely to fall within the exemptions stated in paragraph (a) of this section, the Board will balance the public interest in observing the deliberations of an exemptible matter and the agency need for confidentiality of the exemptible matter. In weighing these interests, the Board is assisted by the General Counsel as provided in §791.16, by expressions of the public interest set forth in requests for open meetings as provided by §791.15(b), and by the brief staff analysis of public interest which will accompany each staff recommendation that an agenda item be considered in a closed meeting.

§791.13 Public announcement of meetings.

(a) Except as otherwise provided in this section, the Board shall, for each meeting, make a public announcement, at least one week in advance of the meeting, of the time, place and subject matter of the meeting, whether it will be open or closed to public observation, and the name and telephone number of the Secretary of the Board or the person designated by the Board to respond to requests for information about the meeting.

(b) Advance notice is required unless a majority of the members of the Board determine by a recorded vote that agency business requires that a meeting be called at an earlier date, in which case, the information to be announced in paragraph (a) of this section shall be publicly announced at the earliest practicable time.

(c) A change, including a postponement or a cancellation, in the time or place of a meeting after a published announcement may be made only if announced at the earliest practicable time.

(d) A change in or deletion of the subject matter of a meeting or any portion of a meeting or a redetermination to open or close a meeting or any portion of a meeting after a published announcement may be made only if:

(1) A majority of the Board determines by recorded vote that agency business so requires and that no earlier

announcement of the change was possible and

(2) Public announcement of the change and of the vote of each member on such change shall be made at the earliest practicable time.

(e) Each meeting announcement or amendment thereof shall be posted on the Public Notice Bulletin Board in the reception area of the agency headquarters and may be made available by other means deemed desirable by the Board. Immediately following each public announcement required by this section, the stated information shall be submitted to the FEDERAL REGISTER for publication.

(f) No announcement shall contain information which is determined to be exempt from disclosure under § 791.12(a).

(g) The agency shall maintain a mailing list of names and addresses of all persons who wish to receive copies of agency announcements of meetings open to public observation and amendments to such announcements. Requests to be placed on the mailing list should be made by telephoning or by writing to the Secretary of the Board.

§ 791.14 Regular procedure for closing meeting discussions or limiting the disclosure of information.

(a) A decision to close any portion of a meeting and to withhold information about any portion of a meeting closed pursuant to § 791.12(a) will be taken only when a majority of the entire Board votes to take such action. In deciding whether to close a meeting or any portion of a meeting or to withhold information, the Board shall independently consider whether the public interest requires an open meeting. A separate vote of the Board will be taken and recorded for each portion of a meeting to be closed to public observation pursuant to § 791.12(a) or to withhold information from the public pursuant to § 791.12(a). A single vote may be taken and recorded with respect to a series of meetings, or any portions of meetings which are proposed to be closed to the public, or with respect to any information concerning the series of meetings, so long as each meeting in the series involves the same particular matters and is

scheduled to be held no more than thirty days after the initial meeting in such series. No proxies shall be allowed.

(b) Any person whose interests may be directly affected by any portion of a meeting for any of the reasons stated in § 791.12(a) (5), (6) or (7) may request that the Board close such portion of the meeting. After receiving notice of a person's desire for any specified portion of a meeting to be closed, the Board, upon a request by one member, will decide by recorded vote whether to close the relevant portion or portions of the meeting. This procedure applies to requests received either prior or subsequent to the announcement of a decision to hold an open meeting.

(c) Within one day after any vote is taken pursuant to paragraph (a) or (b) of this section, the Board shall make publicly available a written copy of the vote taken indicating the vote of each Board member. Except to the extent that such information is withheld and exempt from disclosure, for each meeting or any portion of a meeting closed to the public, the Board shall make publicly available within one day after the required vote, a written explanation of its action, together with a list of all persons expected to attend the closed meeting and their affiliation. The list of persons to attend need not include the names of individual staff, but shall state the offices of the agency expected to participate in the meeting discussions.

§ 791.15 Requests for open meeting.

(a) Following any announcement that the Board intends to close a meeting or any portion of any meeting, any person may make a written request to the Secretary of the Board that the meeting or a portion of the meeting be open. The request shall be circulated to the members of the Board, and the Board, upon the request of one member, shall reconsider its action under § 791.14 before the meeting or before discussion of the matter at the meeting. If the Board decides to open a portion of a meeting proposed to be closed, the Board shall publicly announce its decision in accordance with § 791.13(e). If no request is received from a Board member to reconsider the decision to close
