the NCUSIF until the next distribution from NCUSIF equity and will thus qualify for a prorated share of the distribution.

(k) *Assessment of administrative fee and interest for delinquent payment.* Each federally insured credit union shall pay to the NCUA an administrative fee, the costs of collection, and interest on any delinquent payment of its capitalization deposit or insurance premium. A payment will be considered delinquent if it is postmarked later than the date stated in the invoice provided to the credit union. The NCUA may waive or abate charges or collection of interest, if circumstances warrant.

(1) The administrative fee for a delinquent payment shall be an amount as fixed from time to time by the NCUA Board based upon the administrative costs of such delinquent payments to the NCUA in the preceding year.

(2) The costs of collection shall be calculated as the actual hours expended by NCUA personnel multiplied by the average hourly cost of the salaries and benefits of such personnel.

(3) The interest rate charged on any delinquent payment shall be the U.S. Department of the Treasury Tax and Loan Rate in effect on the date when the payment is due as provided in 31 U.S.C. 3717.

§ 741.5 Notice of termination of excess insurance coverage.

In the event of a credit union's termination of share insurance coverage other than that provided by the NCUSIF, the credit union must notify all members in writing of such termination at least thirty days prior to the effective date of termination.

§ 741.6 Financial and statistical and other reports.

(a) Each operating insured credit union must file with the NCUA a quarterly Financial and Statistical Report on or before January 22 (as of the previous December 31), April 22 (as of the previous March 31), July 22 (as of the previous June 30), and October 22 (as of the previous September 30) of each year. Insured credit unions with assets of \$10 million or greater must file all

quarterly reports on Form NCUA 5300. Insured credit unions with assets of less than \$10 million must file their first (due April 22) and third (due October 22) quarter reports on Form NCUA 5300SF or Form NCUA 5300 and their second (due July 22) and fourth (due January 22) quarter reports on Form NCUA 5300.

(b) *Consistency with GAAP.* The accounts of financial statements and reports required to be filed quarterly under paragraph (a) of this section must reflect GAAP if the credit union has total assets of \$10 million or greater, but may reflect regulatory accounting principles other than GAAP if the credit union has total assets of less than \$10 million (except that a Federally-insured State-chartered credit union may be required by its state credit union supervisor to follow GAAP regardless of asset size).

(c) *GAAP sources.* GAAP means generally accepted accounting principles, as defined in § 715.2(e) of this chapter. GAAP is distinct from GAAS, which means generally accepted auditing standards, as defined in § 715.2(f) of this chapter. Authoritative sources of GAAP include, but are not limited to, pronouncements of the Financial Accounting Standards Board (FASB) and its predecessor organizations, the Accounting Standards Executive Committee (AcSEC) of the American Institute of Certified Public Accountants (AICPA), the FASB's Emerging Issues Task Force (EITF), and the applicable AICPA Audit and Accounting Guide.

(d) Insured credit unions shall, upon written notice from the NCUA Board or Regional Director, file such financial or other reports in accordance with instructions contained in such notice.
