

§711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.

AUTHORITY: 12 U.S.C. 1756, 1757(5)(D) and (7)(I), 1766, 1782, 1784, 1785, and 1786.

SOURCE: 63 FR 10756, Mar. 5, 1998, unless otherwise noted.

§712.1 What does this part cover?

This part establishes when a Federal credit union (FCU) can invest in and make loans to CUSOs. CUSOs are subject to review by NCUA. This part does not apply to corporate credit unions that have CUSOs subject to §704.11 of this title. This part does not apply to state-chartered credit unions or the subsidiaries of state-chartered credit unions that do not have FCU investments or loans.

§712.2 How much can an FCU invest in or loan to CUSOs, and what parties may participate?

(a) *Investments.* An FCU's total investments in CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report.

(b) *Loans.* An FCU's total loans to CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. Loan authority is independent and separate from the 1% investment authority of subsection (a) of this section.

(c) *Parties.* An FCU may invest in or loan to a CUSO by itself, with other credit unions, or with non-credit union parties.

(d) *Measurement for calculating regulatory limitation.* For purposes of paragraphs (a) and (b) of this section:

(1) *Paid-in and unimpaired capital and surplus* means shares plus post-closing, undivided earnings (this does not include regular reserves or special reserves required by law, regulation or special agreement between the credit union and its regulator or share insurer); and

(2) Total investments in and total loans to CUSOs will be measured consistent with GAAP.

(e) *Divestiture.* If the limitations in paragraph (a) of this section are reached or exceeded because of the profitability of the CUSO and the related GAAP valuation of the investment under the equity method, without an additional cash outlay by the FCU, divestiture is not required. An FCU may continue to invest up to 1% without regard to the increase in the GAAP valuation resulting from a CUSO's profitability.

§712.3 What are the characteristics of and what requirements apply to CUSOs?

(a) *Structure.* An FCU can invest in or loan to a CUSO only if the CUSO is structured as a corporation, limited liability company, or limited partnership. An FCU may only participate in a limited partnership as a limited partner. For purposes of this part, "corporation" means a legally incorporated corporation as established and maintained under relevant federal or state law. For purposes of this part, "limited partnership" means a legally established limited partnership as established and maintained under relevant

state law. For purposes of this part, “limited liability company” means a legally established limited liability company as established and maintained under relevant state law, provided that the FCU obtains written legal advice that the limited liability company is a recognized legal entity under the applicable laws of the state of formation and that the limited liability company is established in a manner that will limit potential exposure of the FCU to no more than the amount of funds invested in, or loaned to, the CUSO.

(b) *Customer base.* An FCU can invest in or loan to a CUSO only if the CUSO primarily serves credit unions, its membership, or the membership of credit unions contracting with the CUSO.

(c) *Federal credit union accounting for financial reporting purposes.* An FCU must account for its investments in or loans to a CUSO in conformity with “generally accepted accounting principles” (GAAP).

(d) *CUSO accounting; audits and financial statements; NCUA access to information.* An FCU must obtain written agreements from a CUSO, prior to investing in or lending to the CUSO, that the CUSO will:

(1) Account for all its transactions in accordance with GAAP;

(2) Prepare quarterly financial statements and obtain an annual financial statement audit of its financial statements by a licensed certified public accountant in accordance with generally accepted auditing standards. A wholly owned CUSO is not required to obtain a separate annual financial statement audit if it is included in the annual consolidated financial statement audit of the credit union that is its parent; and

(3) Provide NCUA and its representatives with complete access to any books and records of the CUSO and the ability to review CUSO internal controls, as deemed necessary by NCUA in carrying out its responsibilities under the Act.

(e) *Other laws.* A CUSO must comply with applicable Federal, state and local laws.

[63 FR 10756, Mar. 5, 1998, as amended at 64 FR 33187, June 22, 1999; 64 FR 57365, Oct. 25, 1999; 66 FR 40578, Aug. 3, 2001; 70 FR 55228, Sept. 21, 2005]

§ 712.4 What must an FCU and a CUSO do to maintain separate corporate identities?

(a) *Corporate separateness.* An FCU and a CUSO must be operated in a manner that demonstrates to the public the separate corporate existence of the FCU and the CUSO. Good business practices dictate that each must operate so that:

(1) Its respective business transactions, accounts, and records are not intermingled;

(2) Each observes the formalities of its separate corporate procedures;

(3) Each is adequately financed as a separate unit in the light of normal obligations reasonably foreseeable in a business of its size and character;

(4) Each is held out to the public as a separate enterprise;

(5) The FCU does not dominate the CUSO to the extent that the CUSO is treated as a department of the FCU; and

(6) Unless the FCU has guaranteed a loan obtained by the CUSO, all borrowings by the CUSO indicate that the FCU is not liable.

(b) *Legal opinion.* Prior to an FCU investing in a CUSO, the FCU must obtain written legal advice as to whether the CUSO is established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or lent to, the CUSO. In addition, if a CUSO in which an FCU has an investment plans to change its structure under § 712.3(a), an FCU must also obtain prior, written legal advice that the CUSO will remain established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or loaned to, the CUSO. The legal advice must address factors that have led courts to “pierce the corporate veil” such as inadequate capitalization, lack of separate corporate identity, common boards of directors and employees, control of one entity over another, and
