(a) After the termination of the insured status of any credit union under section 206(b) of the Act (12 U.S.C. 1786(b)), insurance of its member accounts to the extent they were insured on the effective date of such termination, less any amounts thereafter withdrawn which reduce the accounts below the amount covered by insurance on the effective date of such termination, shall continue for a period of one year, but no shares issued by the credit union or deposits made after the date of such termination shall be insured by the NCUA Board.
