

§715.6 Audit of Federally-insured State-chartered credit unions.

(a) *Total assets of \$500 million or greater.* To fulfill its Supervisory Committee audit responsibility, a federally-insured State-chartered credit union having total assets of \$500 million or greater must obtain an annual audit of its financial statements performed in accordance with GAAS by an independent person who is licensed to do so by the State or jurisdiction in which the credit union is principally located.

(b) *Total assets of less than \$500 million.* To fulfill its Supervisory Committee audit responsibility, a federally-insured State-chartered credit union having total assets of less than \$500 million must obtain either an annual supervisory committee audit as prescribed under either §715.6(a) or §715.7, or an audit as prescribed by the State or jurisdiction in which the credit union is principally located, whichever audit is more stringent.

(c) *Other requirements.* A federally-insured, state-chartered credit union, regardless of which audit it is required to obtain under this section, must meet other applicable requirements of this part except §§715.5 and 715.12.

§715.7 Supervisory Committee audit alternatives to a financial statement audit.

A credit union which is not required to obtain a financial statement audit may fulfill its supervisory committee responsibility by any one of the following engagements:

(a) *Balance sheet audit.* A balance sheet audit, as defined in §715.2(a), performed by a person who is licensed to do so by the State or jurisdiction in which the credit union is principally located; or

(b) *Report on Examination of Internal Control over Call Reporting.* An engagement and report on management's written assertions concerning the effectiveness of internal control over financial reporting in the credit union's most recently filed semiannual or year-end call report (NCUA Form 5300), as defined in §715.2(j), performed by a person who is licensed to do so by the State or jurisdiction in which the credit union is principally located, and in

which management specifies the criteria on which it based its evaluation of internal control; or

(c) *Audit per Supervisory Committee Guide.* An audit performed by the supervisory committee, its internal auditor, or any other qualified person (such as a certified public accountant, public accountant, league auditor, credit union auditor consultant, retired financial institutions examiner, etc.) in accordance with the procedures prescribed in NCUA's *Supervisory Committee Guide*. Qualified persons who are not State-licensed cannot provide assurance services under this subsection.

§715.8 Requirements for verification of accounts and passbooks.

(a) *Verification obligation.* The Supervisory Committee shall, at least once every two years, cause the passbooks (including any book, statements of account, or other record approved by the NCUA Board) and accounts of the members to be verified against the records of the treasurer of the credit union.

(b) *Methods.* Any of the following methods may be used to verify members' passbooks and accounts, as appropriate:

(1) *Controlled verification.* A controlled verification of 100 percent of members' share and loan accounts;

(2) *Statistical method.* A sampling method which provides for:

- (i) Random selection;
- (ii) A sample which is representative of the population from which it was selected;
- (iii) An equal chance of selecting each dollar in the population;
- (iv) Sufficient accounts in both number and scope on which to base conclusions concerning management's financial reporting objectives; and
- (v) Additional procedures to be performed if evidence provided by confirmations alone is not sufficient.

(3) *Non-statistical method.* When the verification is performed by an Independent person licensed by the State or jurisdiction in which the credit union is principally located, the auditor may choose among the sampling methods set forth in paragraphs (b)(1) and (2) of

National Credit Union Administration

§715.9

this section and non-statistical sampling methods consistent with GAAS if such methods provide for:

(i) Sufficient accounts in both number and scope on which to base conclusions concerning management's financial reporting objectives to provide assurance that the General Ledger accounts are fairly stated in relation to the financial statements taken as a whole;

(ii) Additional procedures to be performed by the auditor if evidence provided by confirmations alone is not sufficient; and

(iii) Documentation of the sampling procedures used and of their consistency with GAAS (to be provided to the NCUA Board upon request).

(c) *Retention of records.* The supervisory committee must retain the records of each verification of members' passbooks and accounts until it completes the next verification of members' passbooks and accounts.

§715.9 Assistance from outside, compensated person.

(a) *Unrelated to officials.* A compensated auditor who performs a Supervisory Committee audit on behalf of a credit union shall not be related by blood or marriage to any management employee, member of either the board of directors, the Supervisory Committee or the credit committee, or loan officer of that credit union.

(b) *Engagement letter.* The engagement of a compensated auditor to perform all or a portion of the scope of a financial statement audit or supervisory committee audit shall be evidenced by an engagement letter. In all cases, the engagement must be contracted directly with the Supervisory Committee. The engagement letter must be signed by the compensated auditor and acknowledged therein by the Supervisory Committee prior to commencement of the engagement.

(c) *Contents of letter.* The engagement letter shall:

(1) Specify the terms, conditions, and objectives of the engagement;

(2) Identify the basis of accounting to be used;

(3) If a Supervisory Committee Guide audit, include an appendix setting forth the procedures to be performed;

(4) Specify the rate of, or total, compensation to be paid for the audit;

(5) Provide that the auditor shall, upon completion of the engagement, deliver to the Supervisory Committee a written report of the audit and notice in writing, either within the report or communicated separately, of any internal control reportable conditions and/or irregularities or illegal acts, if any, which come to the auditor's attention during the normal course of the audit (i.e., no notice required if none noted);

(6) Specify a target date of delivery of the written reports, such target date not to exceed 120 days from date of calendar or fiscal year-end under audit (period covered), unless the supervisory committee obtains a waiver from the supervising NCUA Regional Director;

(7) Certify that NCUA staff and/or the State credit union supervisor, or designated representatives of each, will be provided unconditional access to the complete set of original working papers, either at the offices of the credit union or at a mutually agreed upon location, for purposes of inspection; and

(8) Acknowledge that working papers shall be retained for a minimum of three years from the date of the written audit report.

(d) *Complete scope.* If the engagement is to perform a *Supervisory Committee Guide* audit intended to fully meet the requirements of §715.7(c), the engagement letter shall certify that the audit will address the complete scope of that engagement;

(e) *Exclusions from scope.* If the engagement is to perform a *Supervisory Committee Guide* audit which will exclude any item required by the applicable section, the engagement letter shall:

(1) Identify the excluded items;

(2) State that, because of the exclusion(s), the resulting audit will not, by itself, fulfill the scope of a supervisory committee audit; and

(3) Caution that the supervisory committee will remain responsible for fulfilling the scope of a supervisory committee audit with respect to the excluded items.
