

## § 1102.310

The ASC Officer may provide a submitter with a notice if the submitter did not request confidential treatment of the requested information. If the ASC required the submitter to provide the requested information, the ASC Officer would need substantial reason to believe that disclosure of the requested information would result in substantial competitive harm to the submitter. If the submitter provided the information voluntarily to the ASC, the ASC officer would need to believe that the information is of a kind the submitter would not customarily make available to the public. The ASC Officer similarly shall notify the person seeking disclosure of the information under FOIA of the existence of a request for confidential treatment. These notice requirements need not be followed if the ASC Officer determines under this subpart that the information should not be disclosed; the information has been published or has been officially made available to the public; disclosure of the information is required by law (other than FOIA); or the submitter's request for confidential treatment appears obviously frivolous, in such instance the submitter shall be given written notice of the determination to disclose the information at least five business days prior to release. The ASC Officer shall carefully consider the issues involved, and if disclosure of the requested information is warranted, a written notice, containing a brief description of why the submitter's objections were not sustained, must be forwarded to the submitter within ten business days. The time for response may be extended up to ten additional business days, as provided in 5 U.S.C. 552(a)(6)(B), or for other periods by agreement between the requester and the ASC Officer. This notice shall be provided to the submitter at least five business days prior to release of the requested information.

(e) *Notice of lawsuit.* The ASC Officer shall notify a submitter of any filing of any suit against the ASC pursuant to 5 U.S.C. 552 to compel disclosure of documents or information covered by the submitter's request for confidential treatment within ten business days of service of the suit. The ASC Officer also shall notify the requester of the documents or information of any suit
