

Federal or state law, regulation or interpretation applicable to the subsidiary.

**§208.75 What happens if the state member bank or any of its insured depository institution affiliates receives less than a “satisfactory” CRA rating?**

(a) *Limits on establishment of financial subsidiaries and expansion of existing financial subsidiaries.* If a state member bank, or any insured depository institution affiliate of the bank, has received less than a “satisfactory” rating in meeting community credit needs in its most recent examination under the Community Reinvestment Act of 1977 (12 U.S.C. 2901 *et seq.*):

(1) The state member bank may not, directly or indirectly, acquire control of any financial subsidiary; and

(2) Any financial subsidiary controlled by the state member bank may not commence any additional activity or acquire control, including all or substantially all of the assets, of any company.

(b) *Exception for certain activities.* The prohibition in paragraph (a)(2) of this section does not apply to any activity, or to the acquisition of control of any company that is engaged only in activities, that the state member bank is permitted to conduct directly and that are conducted on the same terms and conditions that govern the conduct of the activity by the state member bank.

(c) *Duration of prohibitions.* The prohibitions described in paragraph (a) of this section shall continue in effect until such time as the state member bank and each insured depository institution affiliate of the state member bank has achieved at least a “satisfactory” rating in meeting community credit needs in its most recent examination under the Community Reinvestment Act.

**§208.76 What Federal Reserve approvals are necessary for financial subsidiaries?**

(a) *Notice requirements.* (1) A state member bank may not acquire control of, or an interest in, a financial subsidiary unless it files a notice (in letter form, with enclosures) with the appropriate Reserve Bank.

(2) A state member bank may not engage in any additional activity pursuant to §208.72(a)(1) or (2) through an existing financial subsidiary unless the state member bank files a notice (in letter form, with enclosures) with the appropriate Reserve Bank.

(b) *Contents of Notice.* Any notice required by paragraph (a) of this section must:

(1) In the case of a notice filed under paragraph (a)(1) of this section, describe the transaction(s) through which the bank proposes to acquire control of, or an interest in, the financial subsidiary;

(2) Provide the name and head office address of the financial subsidiary;

(3) Provide a description of the current and proposed activities of the financial subsidiary and the specific authority permitting each activity;

(4) Provide the capital ratios as of the close of the previous calendar quarter for all relevant capital measures, as defined in section 38 of the Federal Deposit Insurance Act (12 U.S.C. 1831o), for the bank and each of its depository institution affiliates;

(5) Certify that the bank and each of its depository institution affiliates was well capitalized at the close of the previous calendar quarter and is well capitalized as of the date the bank files its notice;

(6) Certify that the bank and each of its depository institution affiliates is well managed as of the date the bank files its notice;

(7) Certify that the bank meets the debt rating or alternative requirement of §208.71(b), if applicable; and

(8) Certify that the bank and its financial subsidiaries are in compliance with the asset limit set forth in §208.71(a)(2) both before the proposal and on a pro forma basis.

(c) *Insurance activities.* (1) If a notice filed under paragraph (a) of this section relates to the initial affiliation of the bank with a company engaged in insurance activities, the notice must describe the type of insurance activity that the company is engaged in or plans to conduct and identify each state where the company holds an insurance license and the state insurance regulatory authority that issued the license.
