

**NIH Mini-Med School Evaluation**  
**Understanding the "Bio" in Bioterrorism**  
**Anthony S. Fauci, M.D.**

---

**May 23, 2002**

1. How did you hear about the NIH Mini-Med School?
2. Where do you live, e.g., Maryland, Virginia, District of Columbia?
3. How much formal education have you completed (high school, college, etc.), or if you are a student, what is your present level of education?
4. Why were you interested in attending the NIH Mini-Med School?
5. What did you think about this evening's lecture?  
(Circle a number between 0-10)

**Just Right!**

**Too Easy!**   0   1   2   3   4   5   6   7   8   9   10   **Too Hard!**

---

6. What did you like the most about the lecture?
7. What did you like the least about the lecture?
8. Do you have any suggestions to offer Dr. Fauci about the lecture that he gave this evening?
9. Do you have any other suggestions for the Office of Science Education, e.g., topics for future lectures, etc.?
