

Pt. 1640

29 CFR Ch. XIV (7-1-08 Edition)

Report at 61-63. (See §1630.2(r) Direct Threat).

Section 1630.16(f) Health Insurance, Life Insurance, and Other Benefit Plans

This provision is a limited exemption that is only applicable to those who establish, sponsor, observe or administer benefit plans, such as health and life insurance plans. It does not apply to those who establish, sponsor, observe or administer plans not involving benefits, such as liability insurance plans.

The purpose of this provision is to permit the development and administration of benefit plans in accordance with accepted principles of risk assessment. This provision is not intended to disrupt the current regulatory structure for self-insured employers. These employers may establish, sponsor, observe, or administer the terms of a bona fide benefit plan not subject to State laws that regulate insurance. This provision is also not intended to disrupt the current nature of insurance underwriting, or current insurance industry practices in sales, underwriting, pricing, administrative and other services, claims and similar insurance related activities based on classification of risks as regulated by the States.

The activities permitted by this provision do not violate part 1630 even if they result in limitations on individuals with disabilities, provided that these activities are not used as a subterfuge to evade the purposes of this part. Whether or not these activities are being used as a subterfuge is to be determined without regard to the date the insurance plan or employee benefit plan was adopted.

However, an employer or other covered entity cannot deny a qualified individual with a disability equal access to insurance or subject a qualified individual with a disability to different terms or conditions of insurance based on disability alone, if the disability does not pose increased risks. Part 1630 requires that decisions not based on risk classification be made in conformity with non-discrimination requirements. See Senate Report at 84-86; House Labor Report at 136-138; House Judiciary Report at 70-71. See the discussion of §1630.5 Limiting, Segregating and Classifying.
