**§ 200.40 Technical assistance.**

(a) An LEA that identifies a school for improvement under § 200.32 must ensure that the school receives technical assistance as the school develops and implements its improvement plan under § 200.41 and throughout the plan's duration.

(b) The LEA may arrange for the technical assistance to be provided by one or more of the following:

(1) The LEA through the statewide system of school support and recognition described under section 1117 of the ESEA.

(2) The SEA.

(3) An institution of higher education that is in full compliance with all of the reporting provisions of Title II of the Higher Education Act of 1965.

(4) A private not-for-profit organization, a private for-profit organization, an educational service agency, or another entity with experience in helping schools improve academic achievement.

(c) The technical assistance must include the following:

(1) Assistance in analyzing data from the State assessment system, and other examples of student work, to identify and develop solutions to problems in—

(i) Instruction;

(ii) Implementing the requirements for parental involvement and professional development under this subpart; and

(iii) Implementing the school plan, including LEA- and school-level responsibilities under the plan.

(2) Assistance in identifying and implementing professional development and instructional strategies and methods that have proved effective, through scientifically based research, in addressing the specific instructional issues that caused the LEA to identify the school for improvement.

(3) Assistance in analyzing and revising the school's budget so that the school allocates its resources more effectively to the activities most likely to—

(i) Increase student academic achievement; and

(ii) Remove the school from school improvement status.

(d) Technical assistance provided under this section must be based on scientifically based research.

**§ 200.41 School improvement plan.**

(a)(1) Not later than three months after an LEA has identified a school for improvement under § 200.32, the school must develop or revise a school improvement plan for approval by the LEA.

(2) The school must consult with parents, school staff, the LEA, and outside experts in developing or revising its school improvement plan.

(b) The school improvement plan must cover a 2-year period.

(c) The school improvement plan must—

(1) Specify the responsibilities of the school, the LEA, and the SEA serving the school under the plan, including the technical assistance to be provided by the LEA under § 200.40;

(2)(i) Incorporate strategies, grounded in scientifically based research, that will strengthen instruction in the core academic subjects at the school and address the specific academic issues that caused the LEA to identify the school for improvement; and

(ii) May include a strategy for implementing a comprehensive school reform model described in section 1606 of the ESEA;

(3) With regard to the school's core academic subjects, adopt policies and practices most likely to ensure that all groups of students described in § 200.13(b)(7) and enrolled in the school will meet the State's proficient level of achievement, as measured by the State's assessment system, not later than the 2013-2014 school year;

(4) Establish measurable goals that—
