# eRA Commons Release Notes Version 2.8.4.1

## **General Enhancements**

Performance

This patch release of Commons will correct defects and implement enhancements from the November 17<sup>th</sup> enterprise release of Commons 2.8.3.2.

## Internet Assisted Review (IAR)

List of Applications

Reviewers are now able to view the **List of Applications** in any phase of a meeting by clicking the **View List of Applications** hyperlink.

## Submitting Scores and Critiques

The **List of Applications** screen will now display for a reviewer who is blocked and submits a score but not a critique. Reviewers will no longer receive a Commons systems error.

When submitting just a score but not a critique, the reviewer will have the option to resubmit the score and critique in any of the following formats:

1. The score and the critique.

Figure 3: List of Applications Screen (IAR0007)

2. The score without the critique.
