NIDA Smoke-Free Meetings Policy Smoke-Free Jurisdictions List *January* 2007

http://www.nida.nih.gov/about/smokingpolicy.html

In September 2006, the National Institute on Drug Abuse (NIDA) announced a new smoke-free meeting policy requiring that all meetings and conferences organized or primarily sponsored by NIDA be held in a state, county, city, or town that has adopted a comprehensive smoke-free policy.

For purposes of meeting planning,NIDA considers a jurisdiction (state, city, town, or county) smoke free if it provides employees and the general public complete or near complete protection from secondhand smoke in enclosed workplaces, including restaurants.

 As of April 2007, there are seventeen (18) states that are entirely smoke-free, plus the District of Columbia:

AZ (effective May 2007)	CA
CO	СТ
DC	DE
FL	HI
LA	NM (effective June 2007)
MA	MT
NJ	NV
NY	ОН

 There are twenty (20) additional states that contain at least one* smoke-free jurisdiction:

AK	AL
AR	GA
IL	IN

• There are only twelve (12) states that contain no smoke-free jurisdictions:
