Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the HHS implementing regulations at § 74.13 of this part and 45 CFR part 76.
