

**Subject:** infant formula

**Date:** Saturday, November 25, 2006 8:19 AM

**From:** Rita Falwell <[REDACTED]>

**To:** "Shelby, Michael (NIH/NIEHS) [E]" <Shelby@niehs.nih.gov>

**Conversation:** infant formula

please go on record to protect our infants from the many problems associated with early development and soy products...corporate earnings just don't stack up to the importance of the first months of life, period.
