

# NIH Mini-Med School

*Where People and Science Meet*

**Dear Mini-Med School Applicant:**

**Thank you for your interest in attending the National Institutes of Health's *NIH Mini-Med School*. Unfortunately, because of the overwhelming response, the class is full. Tickets were awarded on a first come, first served, basis with preference given to those who plan to attend all of the lectures. We know that many of you will be disappointed at not having made it into this Spring's class.**

**However, we hope that this is only the first of many "Mini-Med Schools" that NIH will offer. We will keep your name on a mailing list and inform you of upcoming Mini-Med school programs. Persons on this mailing list will have the first opportunity to enroll for future Mini-Med Schools.**

**Thank you once again for your interest. We are sorry that we were not able to enroll you in this class but we hope to see you at upcoming NIH events "where people and science meet."**
