

COMMUNITY FORUM ON

PRACTICAL WAYS FOR ID THEFT PREVENTION

Indiana Congressman Dan Burton (R-IN-5) has recognized an epidemic of alarming statistics affecting his district and the nation at large. As a result, he is hosting a **FREE forum to help you learn to protect yourself, no matter your age, demographic or political persuasion.**

J. Michelle Sybesma, a nationally recognized speaker and founder of www.GetIDSmart.com, will lead the presentation and field questions regarding identity theft, its prevention, why it DOES matter to you, and how to Get ID Smart.

- Do you dump trash from your car at the local car wash or gas station?
- Have you ever unknowingly sent a fax to a machine with carbons?
- How can a frequent shopper card application place you at risk?
- Have you ever filled out a job application?
- If your identity was misused to such a degree the Federal Government issued you a new social security number, what would you do? Ask Michelle...
