July 18, 2007

Dear Therapist Category,

As we begin a new operational year for the TPAC, we are initiating a listserv via the NIH listserv.

We are requesting that each member of the category sign up with the listserv.

https://list.nih.gov/archives/usphs_therapist.html

The use of a central listserv has many advantages:

- 1) Archive of all messages sent out- which can be accessed from any computer, at any time- cannot be inadvertently deleted. This will also facilitate record keeping for the TPAC
- 2) Timely dissemination of messages to the TPAC
- 3) Officers can have multiple addresses registered with the list serve- home and office.

We will continue to use the current system of dissemination of information via the field reps until we have 100% of the category signed up.

If you have any questions please do not hesitate to contact me.

Sincerely,

CDR Kathleen O'Neill-Manrique
