¹ These data do not include 5.8 million beneficiaries who currently have prescription drug coverage such as through Veteran's Affairs, Indian Health Services, etc. These data include Medicare prescription drug plans, Medicare Advantage plans, retiree drug subsidy and federal retirees [Federal Employees Health Benefits Program (FEHBP) and military retirees (Tricare)].

² Independent analysts have projected enrollment of 28 to 30 million in the first year of the program. This percentage reflects the proportion of this 30 million projection.
