President Omar Hassan al-Bashir
President of Sudan

Washington, DC 20008

Dear President al-Bashir:

We were shocked to hear your comments on Tuesday, September 19th, at the UN General Assembly where you stated that reports of deaths and refugees in Darfur are "fictions," and that those "who made the publicity, who mobilized the people, invariably, are Jewish organizations."

Many of us have traveled to Darfur and seen the death, destruction, and misery of the innocent civilians in Darfur with our own eyes. The last three years of violence in Darfur have resulted in the death of an estimated 400,000 people and millions have been forced from their homes. This atrocity has been encouraged and facilitated by your government.

We are grateful that the American Jewish community as well as other faith communities have made a priority of raising the issue of genocide in Darfur. Instead of using the ancient technique of making the Jewish community the scapegoat for your failures, we hope that you will take a close look at your own actions. In direct violation of the Darfur Peace Agreement and the will of the UN Security Council, your government has recently deployed approximately 26,000 troops and attack helicopters to the Darfur region. Your actions have directly resulted in an increase of attacks on civilians and humanitarian aid workers.

Mr. President, we call on you to apologize for and retract your dangerous and fictitious accusations directed towards the Jewish community. We also demand that you work to uphold the Darfur Peace Agreement, and actively and immediately strive to end the genocide within your borders. Finally, we encourage you to work closely with Special Presidential Envoy Andrew Natsios who is ready to aid your nation to achieve a final peace. Rather than fanning the flames of conflict, we hope you will act to save lives.
