2008 Urologic Diseases in America Symposium February 25-26, 2008

The RAND Corporation
1776 Main Street
Santa Monica, CA 90401

Goals of the Symposium

- Generation of new UDA research ideas
- Discussion of upcoming RFP for new UDA research
- Provide input on the development of interactive UDA website
- Introduction to UDA datasets
- Dissemination of Urologic Diseases in America (UDA) findings

Who Should Attend

Junior and senior investigators who have an interest in urologic epidemiology, outcomes and health services research, economics, practice patterns, technology diffusion, and quality of care.

How to Register

Please visit our website at www.udaonline.net to register for this symposium. If you have further questions, please contact Else Henry, Project Director for Urologic Diseases in America at 310-794-1570 or ehenry@mednet.ucla.edu.
