

records. Records of agencies, contractors, and approved scale testing organizations available for public inspection shall be retained at the principal place of business of the agency, contractor, or approved scale testing and certification organization.

(2) *Service records.* Records of the Service available for public inspection shall be retained at each field office and at the headquarters of the Service in Washington, D.C.

§ 800.155 Detailed work records—general requirements.

(a) *Preparation.* Detailed work records shall be prepared for each official inspection, Class X or Class Y weighing, and equipment testing service performed or provided under the Act. The records shall (1) be on standard forms prescribed in the instructions; (2) be typed or legibly written in English; (3) be concise, complete, and accurate; (4) show all information and data that are needed to prepare the corresponding official certificates or official report; (5) show the name or initials of the individual who made each determination; and (6) show other information required by the Service to monitor or supervise the service provided.

(b) *Use.* Detailed work records shall be used as a basis for (1) issuing official certificates or official forms, (2) approving inspection and weighing equipment for the performance of official inspection or Class X or Class Y weighing services, (3) monitoring and supervising activities under the Act, (4) answering inquiries from interested persons, (5) processing complaints, and (6) billing and accounting. These records may be used to report results of official inspection or Class X or Class Y weighing services in advance of issuing an official certificate.

(c) *Standard forms.* The following standard forms shall be furnished by the Service to an agency: Official Export Grain Inspection and Weight Certificates (singly or combined), official inspection logs, official weight loading logs, official scale testing reports, and official volume of work reports. Other forms used by an agency in the performance of official services, including

certificates, shall be furnished by the agency.

§ 800.156 Official inspection records.

(a) *Pan tickets.* The record for each kind of official inspection service identified in § 800.76 shall, in addition to the official certificate, consist of one or more pan tickets as prescribed in the instructions. Activities that are performed as a series during the course of an inspection service may be recorded on one pan ticket or on separate pan tickets. The original copy of each pan ticket shall be retained by the agency or field office that performed the inspection.

(b) *Inspection logs.* The record of an official inspection service for grain in a combined lot and shiplot shall include the official inspection log as prescribed in the instructions. The original copy of each inspection log shall be retained by the agency or field office that performed the inspection. If the inspection is performed by an agency, one copy of the inspection log shall be promptly sent to the appropriate field office.

(c) *Other forms.* Any detailed test that cannot be completely recorded on a pan ticket or an inspection log shall be recorded on other forms prescribed in the instructions. If the space on a pan ticket or an inspection log does not permit showing the full name for an official factor or an official criteria, an approved abbreviation may be used.

(d) *File samples—(1) General.* The record for an official inspection service based, in whole or in part, on an examination of a grain in a sample shall include one or more file samples as prescribed in the instructions.

(2) *Size.* Each file sample shall consist of an unworked portion of the official sample or warehouseman's sample obtained from the lot of grain and shall be large enough to permit a reinspection, appeal inspection, or Board appeal inspection for the kind and scope of inspection for which the sample was obtained. In the case of a submitted sample inspection, if an undersized sample is received, the entire sample shall be retained.

(3) *Method.* Each file sample shall be retained in a manner that will preserve
