

for travel and standby time shall apply in determining the hours for the minimum fee.

[61 FR 43305, Aug. 22, 1996]

§ 800.73 Computation and payment of service fees; general fee information.

(a) *Computing hourly rates.* The applicable hourly rate will be assessed in quarter hour increments for:

(1) Travel from the FGIS field office or assigned duty station to the service point and return;

(2) The performance of the requested service, less mealtime.

(b) *Application of fees when service is delayed or dismissed by the applicant.* The applicable hourly rate will be assessed for the entire period of scheduled service when:

(1) Service has been requested at a specified location;

(2) A service representative is on duty and ready to provide service but is unable to do so because of a delay not caused by the Service; and

(3) FGIS officials determine that the service representative cannot be utilized to provide service elsewhere without cost to the Service.

(c) *Application of fees when an application for service is withdrawn or dismissed.* The applicable hourly rate will be assessed to the applicant for the entire period of scheduled service if the request is withdrawn or dismissed after the service representative departs for the service point, or if the service request is not canceled by 2 p.m., local time, the business day preceding the date of scheduled service. However, the applicable hourly rate will not be assessed to the applicant if FGIS officials determine that the service representative can be utilized elsewhere or released without cost to the Service.

(d) *To whom fees are assessed.* Fees for inspection, weighing, and related services performed by service representatives, including additional fees as provided in § 800.72, shall be assessed to and paid by the applicant for the service.

(e) *Advance payment.* As necessary, the Administrator may require that fees shall be paid in advance of the performance of the requested service. Any fees paid in excess of the amount due

shall be used to offset future billings, unless a request for a refund is made by the applicant.

(f) *Form of payment.* Bills for fees assessed under the regulations in this part for official services performed by FGIS shall be paid by check, draft, or money order, payable to the U.S. Department of Agriculture, Grain Inspection, Packers and Stockyards Administration.

KINDS OF OFFICIAL SERVICES

§ 800.75 Kinds of official inspection and weighing services.

(a) *General.* Paragraphs (b) through (m) of this section describe the kinds of official service available. Each kind of service has several levels. §§ 800.115, 800.116, 800.117, and 800.118 explain Original Services, §§ 800.125, 800.126, 800.127, 800.128, and 800.129 explain Reinspection Services and Review of Weighing Services, and §§ 800.135, 800.136, 800.137, 800.138, and 800.139 explain Appeal Inspection Services. The results of each official service listed in paragraphs (b) through (j) will be certified according to § 800.160.

(b) *Official sample-lot inspection service.* This service consists of official personnel (1) sampling an identified lot of grain and (2) analyzing the grain sample for grade, official factors, or official criteria, or any combination thereof, according to the regulations, Official U.S. Standards for Grain, instructions, and the request for inspection.

(c) *Warehouseman's sample-lot inspection service.* This service consists of (1) a licensed warehouseman sampler (i) sampling an identified lot of grain using an approved diverter-type mechanical sampler and (ii) sending the sample to official personnel and (2) official personnel analyzing the grain sample for grade, official factors, official criteria, or any combination thereof, according to the regulations, Official U.S. Standards for Grain, instructions, and the request for inspection.

(d) *Submitted sample inspection service.* This service consists of an applicant or an applicant's agent submitting a grain

§ 800.76

sample to official personnel, and official personnel analyzing the grain sample for grade, official factors, official criteria, or any combination thereof, according to the regulations, Official U.S. Standards for Grain, instructions, and the request for inspection.

(e) *Official sampling service.* This service consists of official personnel (1) sampling an identified lot of grain and (2) forwarding a representative portion(s) of the sample along with a copy of the certificate, as requested by the applicant.

(f) *Official stowage examination service.* (1) This service consists of official personnel visually determining if an identified carrier or container is clean; dry; free of infestation, rodents, toxic substances, and foreign odor; and is suitable to store or carry grain.

(2) A stowage examination may be obtained as a separate service or with one or more other services. Approval of the stowage space is required for official sample-lot inspection services on all export lots of grain and all official sample-lot inspection services performed on outbound domestic lots of grain which are sampled and inspected at the time of loading. Also, approval of the stowage space is required for any weighing services performed on all outbound land carriers.

(g) *Class X weighing service.* This service consists of official personnel (1) completely supervising the loading or unloading of an identified lot of grain and (2) physically weighing or completely supervising approved weighers weighing the grain.

(h) *Class Y weighing service.* This service consists of (1) approved weighers physically weighing the grain and (2) official personnel partially or completely supervising the loading or unloading of an identified lot of grain.

(i) *Checkweighing service (sacked grain).* This service consists of official personnel or approved weighers under the supervision of official personnel (1) physically weighing a selected number of sacks from a grain lot and (2) determining the estimated total gross, tare, and new weights, or the estimated average gross or net weight per filled sack according to the regulations, instructions, and request by the applicant.

7 CFR Ch. VIII (1-1-08 Edition)

(j) *Checkloading service.* This service consists of official personnel (1) performing a stowage examination; (2) computing the number of filled grain containers loaded aboard a carrier; and (3) if practicable, sealing the carrier for security.

(k) *Test weight reverification service.* This service consists of official personnel (1) comparing the weight of elevator test weights with known weights; (2) correcting the elevator test weights, when necessary; and (3) issuing a Report of Test.

(l) *Railroad track scale testing service.* This service consists of official personnel (1) testing railroad track scales with Service-controlled test cars and (2) issuing a Report of Test.

(m) *Hopper and truck scale testing service.* This service consists of official personnel (1) testing hopper and truck scales and (2) issuing a Report of Test.

§ 800.76 Prohibited services; restricted services.

(a) *Prohibited services.* No agency shall perform any inspection function or provide any inspection service on the basis of unofficial standards, procedures, factors, or criteria if the agency is designated or authorized to perform the service or provide the service on an official basis under the Act. No agency shall perform official and unofficial weighing on the same mode of conveyance at the same facility.

(b) *Restricted services—(1) Not standardized grain.* When an inspection or weighing service is requested on a sample or a lot of grain which does not meet the requirements for grain as set forth in the Official U.S. Standards for Grain, a certificate showing the words "Not Standardized Grain" shall be issued according to the instructions.

(2) *Grain screening.* The inspection or weighing of grain screenings may be obtained from an agency or field office according to the instructions.
