§ 249.9 Nutrition education.

(a) *Goal.* Nutrition education shall emphasize the relationship of proper nutrition to good health, including the importance of consuming fruits and vegetables.

(b) *Requirement.* The State agency shall integrate nutrition education into SFMNP operations and may satisfy nutrition education requirements through coordination with other agencies within the State. State agencies wishing to coordinate nutrition education with another State agency or organization must enter into a written cooperative agreement with such agencies to offer nutrition education relevant to the use and nutritional value of foods available to SFMNP participants. In cases where SFMNP participants are receiving relevant nutrition education from an agency other than the administering State agency, the provision of nutrition education is an allowable administrative cost under the SFMNP.

Subpart E—State Agency Provisions

§ 249.10 Coupon, market, and CSA program management.

(a) *General.* This section sets forth State agency responsibilities regarding the authorization of farmers, farmers' markets, roadside stands, and/or CSA programs. The State agency is responsible for the fiscal management of and accountability for SFMNP-related activities for farmers, farmers' markets, roadside stands, and CSA programs. Each State agency may decide whether to authorize individual farmers and farmers' markets separately, or to authorize only farmers' markets. In addition, each State agency may decide whether to authorize roadside stands and/or CSA programs. The State agency may authorize a farmer for partici-

pation in a farmers' market, a roadside stand, and/or CSA program simultaneously. All contracts or agreements entered into by the State agency for the management or operation of farmers, farmers' markets, roadside stands, and/or CSA programs shall conform to the requirements of part 3016 of this title.

(1) Only farmers, farmers' markets, and/or roadside stands authorized by the State agency may redeem SFMNP coupons. Only farmers authorized by the State agency, or having a valid agreement with an authorized farmers' market, may redeem coupons. Only CSA programs authorized by the State agency may receive payment from the State agency at the beginning of the planting season, in order to provide eligible foods to senior participants who are shareholders.

(2) The State agency must establish criteria for the authorization of individual farmers and/or farmers' markets, roadside stands, and/or CSA programs. Any authorized farmer, farmers' market, roadside stand and/or CSA program must agree to sell participants only those foods identified as eligible by the State agency. State agencies may determine farmers, farmers' markets and/or roadside stands as automatically authorized to participate in the SFMNP based on current authorization to operate in the FMNP under Part 248 of this chapter. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the SFMNP, except individuals employed by a farmer otherwise qualified under these regulations, or individuals hired by a non-profit organization to sell produce at roadside stands on behalf of local farmers.

(3) The State agency must ensure that an appropriate number of farmers, farmers' markets, roadside stands, and/or CSA programs are authorized for adequate participant access in the area(s) proposed to be served and for effective management of the farmers, farmers' markets, roadside stands, and/or CSA programs by the State agency.
