that shall prescribe such procedure as shall be reasonable and fair to all persons concerned. After the nomination procedure or meetings have concluded, the nominating committee by February 15 will verify consent to place the nominee's name on the ballot and will cause a ballot listing all of the nominees for a given district to be mailed to all growers within the district. Members and their alternates will be chosen based on a descending ranking of votes received. Once ballots have been tabulated, the Nectarine Administrative Committee will announce to the growers the nominees that have been selected and recommended to the Secretary.

(2) Nominations may only be by growers, or by duly authorized employees. At meetings, only growers who are present at such nomination meetings may participate in the nomination of nominees for members and their alternates. All known growers will then receive a ballot for the nominees in the district in which they produce and are entitled to vote accordingly. A grower who produces in multiple districts is allowed to vote only in one district, and may exchange his/her ballot for that of the nominees in another district provided the grower is producing in the district for which he/she wants to participate. Employees of such grower shall be eligible for membership as principal or alternate to fill only one position on the committee.

(3) A particular grower, including authorized employees of such grower, shall be eligible for membership as principal or alternate to fill only one position on the committee.
