[Application Form for EDRN Reference Sets](#) (PDF)

Ovarian & Breast Cancer Reference Sets

[Biomarker Reference Sets for Cancers in Women \(BRSCW\)](#) (PDF)

Description of pooled reference sets for ovarian and breast cancer serum specimens

[BRSCW Application Form](#) (PDF)

Lung Cancer Reference Sets

[LCBG Protocol Documentation](#) (PDF)

The goal of the NCI/EDRN/SPORE Lung Cancer Biomarkers Group (LCBG) is to develop the requisite sample resources to pre-validate serum/plasma biomarkers for the early diagnosis of lung cancer.
