Additional Details for Disclosure Questions 1-11

Please specify the number of the question(s) for which you are giving additional details.

_Questions 8, 9 and 10: In my current position as Director of OCAS I could be supervised by and I currently supervise staff who are site/ subject experts and are or can possibly become claimants. The key words in Questions 10 is how 'work 'is defined, my read and understanding of this questions and definition of work goes to a supervisor – subordinate relationship 'at or for' a site or the contractor who ran the site. Having not persoanally been employed at any of the sites nor worked for any of the contractors who ran these sites, I do not see a conflict and answered these questions accordingly. Because I do supervise staff who are, or can become, a claimant any decision or action I take regarding the site that a particular staff member has a prior affiliation with, or any decioins or action I take in regards to a claim by a staff member will be reviewed by my supervisor and the NIOSH COB Officer.
