NUCLEAR WASTE TECHNICAL REVIEW BOARD

Privacy Act of 1974; Systems of Records

AGENCY: U.S. Nuclear Waste Technical Review Board.

ACTION: Notice of modification to two existing systems of records.

SUMMARY: USC 552a requires that each federal agency review its systems of records containing personal information covered by the Privacy Act of 1974. As a result of its latest review, the Board is proposing to amend both of the systems of records that it maintains. A description of these systems was last published in November 22, 1996 (61 FR 227, 59472-59473). The Board has concluded that one system needs to be amended and that the second system needs to be expanded to include other information useful to the Board. In the first system, NWTRB-1 Administrative Files, some categories were overlooked in the previous notice. The Board is proposing to expand the second system, NWTRB-2 Mailing List, to become NWTRB-2 Contact List. The Board has determined that the changes to NWTRB-1 are important enough to republish the notice with the changes and that the changes to NWTRB-2 are substantial enough to accept comments on the proposed expansion.

DATES: Comments on the changes to NWTRB-2 should be received before January 15, 2007.

ADDRESSES: Comments on this proposed rule may be submitted as follows:

By mail or hand delivery: Joyce M. Dory, Director of Administration; U.S. Nuclear Waste Technical Review Board; 2300 Clarendon Blvd., Suite 1300; Arlington, VA 22201.

By Fax: 703-235-4495.

To the Federal eRulemaking Portal: <http://www.regulations.gov>.

Via the Board Web site at <http://www.nwtrb.gov> via the "contact us" function.

All comments on this proposed Privacy Act rule modification should be clearly identified as such.

FOR FURTHER INFORMATION CONTACT: Victoria Reich, 703-235-4473.

SUPPLEMENTARY INFORMATION: The Board currently maintains two systems of records, NWTRB-1 and NWTRB-2, that contain information covered by the Privacy Act of 1974. In its review of these systems, the Board has found classes of information that were not included in its previous notice and is republishing the first, NWTRB-1, with the corrections added. The Board further found that expanding the records in the second, NWTRB-2, would make it more useful.
