

# Become a Friend of the Eisenhower Foundation

The Eisenhower Foundation's mission is to honor Dwight D. Eisenhower and to perpetuate his important legacy; to encourage and support educational activities relating to citizenship; and to support the non-federally funded operation of the Eisenhower Presidential Library and Museum. As a "Friend" your generous, tax-deductible, annual membership will play a key role in celebrating the life of Dwight D. Eisenhower. You will help the Foundation reach new generations that never knew Eisenhower, but whose lives will be enriched by the story of the man whose character and leadership were momentous in shaping significant world events.

Friends receive the following benefits:

- ▶ Free admission for two to all presidential libraries operated by the National Archives
- ▶ Twenty percent discount on all purchases at the sales desk
- ▶ Personal invitation to events at the Eisenhower Presidential Library and Museum
- ▶ Free subscription to the Foundation's *Overview* newsletter
