

Dear Military Retiree/Veteran,

Thank you for your interest in the Armed Forces Retirement Home (AFRH). We are delighted that you have decided to take a closer look at our unique retirement community. You will find that AFRH will satisfy all your requirements for retirement living.

By day you can enjoy the museums, landmarks, entertainment, activities and restaurants found throughout the Washington, DC area, then return home to your gated community to relax, enjoy fine food, take in a movie, socialize with friends and more. Or you can choose to spend your days taking advantage of all the outstanding amenities the AFRH has to offer, including arts and crafts classes and workshops, bowling, fitness equipment, golf, fishing, gardening, an auto shop, theater, pool tables and organized games, events and outings.

Residents of AFRH take great comfort in knowing that they will receive top-rated independent, assisted and long-term care, as needed, regardless of financial ability. Accredited by the Joint Commission on Accreditation of Health Care Organizations, AFRH provides increased levels of care for residents who require additional health care services.

Enclosed you will find copies of the AFRH Communicator which will provide you with more insight of living at AFRH. We welcome the opportunity to speak with you about your important retirement decisions. If you have any questions or are uncertain about your eligibility status, please feel free to call 800-422-9988 or e-mail at publicaffairs@afrh.gov. Additional information can be obtained through our website at www.afrh.gov. We take pride in meeting the social, environmental, spiritual, and financial needs of our residents. I'm hoping you'll have the opportunity to come for a visit to see for yourself why AFRH is the only continuing care retirement community worthy of your distinguished company.

Sincerely,
