

ACE Drop M1: e-Manifest Rail and Sea *Summary*

What's in M1?

Sea and rail manifest processing

Access to live sea and rail manifest transactional data

FTZ admission processing

Authorized movement (in-bond) processing

Manifest Actions:

- Request for CBP action
- Limited ability to place holds on Bills of Lading
- Referrals to other agencies
- Messages to the Trade

New Functionality for PGAs

Some PGAs will have the ability to place holds on Bills of Lading

- Must have documented legal authority
- Must have coverage at the port
- Must agree to clear majority of holds expeditiously (within 24 hours)

Ability to request CBP to take action on their behalf for:

- Holds
- Samples

Ability to make referrals from one agency to another

Ability to send and receive messages to and from the trade

“Authorized User” access to transactional and/or warehouse databases (less than 1 hour behind)
