

Tips for Filing 337 Documents

Document Title is limited to 100 characters. Therefore, please provide a shortened title summarizing the actual document title in this field.

The Document Type list is filtered based on the Area of Interest: Sec 337.

Documents of the following types will be submitted for immediate printing and distribution within USITC: Motion, Motion Response/Reply, Brief Filed with ALJ, Petition for Review, Petition for Review Response to, Brief on Review/Remedy.

For Sec 337 investigations, the user is prompted to select 'For the Commission' or 'For the Administrative Law Judge' to properly direct the immediate print requests. If the document is 'For the Commission', then 12 copies will be produced and distributed within USITC. If the document is 'For the Administrative Law Judge', then 6 copies will be produced and distributed within USITC.

Motions within OUII, will be routed and approved using processes outside of EDIS and CBIS. The approval sheet will be entered in CBIS.
