

Subject: Stop Animal Testing!
Date: Saturday, May 26, 2007 1:36 AM

Dear Sir or Madem,

This letter is to respectfully request you to please start protecting the animals...the Silent Suffering Majority! Today there are numerous methods of testing and they do not involve torturing innocent animals.

PLEASE do the right and humane thing and protect the animals. Stop the torture of animals, you will feel better about yourself, and so will others.

Thank you for your time.
