I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.c: You are requested to fill out this box.
- Block 2.d: You are requested to fill out this box. The Department of Justice requests this information in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI=American Indian or Alaskan Native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.
- **Block 2.f and 2.g:** The full Georgia Drivers License Number or Georgia State issued ID number is required. If you do not have a Georgia Drivers License number or Georgia State issued ID you must provide the last 4 digits of your Social Security number. Providing your full Social Security number is optional.
- Block 3.a through 3.e: Provide the complete street address of your Georgia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- Block 4.a: Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- Block 4.c: This form acts as a request for a mailed absentee ballot only. Georgia does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- **G** Block 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) in Block 5 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to vote in a primary election, you must submit a completed FPCA which includes your political party selection to the local election official. A separate request is required for an absentee ballot for special/local elections. Unregistered persons must submit the FPCA not later than the fifth Monday before the election. No absentee ballot shall be mailed on the day prior to an election or primary election. Timeliness in submitting the FPCA is critical to receipt and return of an absentee ballot.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for

each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Georgia and members of the Uniformed Services and their family members.
