Shopping online? It can save you time and money, but only if you're shopping safely. Know who you're dealing with – be sure the company's website gives a physical address and a working phone number. Use your credit card, but only on secure sites – look for the lock icon or https. Be sure you know the terms of the deal, like refund policies, and print out copies of your receipts. For more about shopping safely online, go to OnGuardOnline.gov, the federal government's one-stop shop for computer security. That's OnGuardOnline dot g-o-v.
