## I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

If you are a civilian employee of the U.S. government or the spouse or dependant of such an employee, please check block 1 (b).

- A Block 2.d:** Designation of race is optional in Pennsylvania. This information is requested from some states by the Department of Justice in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.
- B Block 2.f and 2.g:** Your Pennsylvania Driver's License is required for voter registration. If you do not have a Pennsylvania Driver's License, you must include the last four digits of your Social Security number. If you do not possess either of these identifications, Pennsylvania will assign a number that will serve to identify you for voter registration purposes.
- C Block 3.a through 3.e:** Provide the complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "2 miles past Highway \_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- D Block 4.a:** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- E Block 4.c:** This form acts as a request for a mailed absentee ballot. In certain situations, Pennsylvania allows you to receive the absentee ballot by fax, but does not allow you to return the voted ballot by fax. See Section II.D or III.D.
- F Block 5:** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block

5 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections.

- G Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Refer to Section II.E or III.E for additional instructions if you are now living or performing military service in a remote area of the world.

- H Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

## II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

### A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter Two).

**If you are a member of the Armed Forces,** you are exempted from registration and the County Board of Elections must receive your FPCA for ballot request anytime before the election. In some cases, however, the County Board of Elections may send you a state Voter Registration Mail Application (VRMA) or a state absentee ballot application if they cannot determine from the information on the FPCA whether or not you meet all the requirements to vote in that county. Either the state VRMA or the state absentee ballot application must be completed and returned with the voted ballot to the County Board of Elections so your ballot for all offices is counted.

**If you are a spouse or dependent of a member of the Armed Forces, or a merchant marine member or a spouse or dependent of a merchant marine member,** the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are **not registered** you may receive, along with your ballot, a state VRMA. You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted.

The registration declaration on the Pennsylvania VRMA is accepted for all purposes as the equivalent of an affidavit, and if the VRMA contains a materially false statement, the applicant will be subject to penalties for perjury.

## B. Casting Your Vote

**Ballot Return Deadline:** Voted ballot envelope must be postmarked **not later than the day before the election** and received in the County Board of Elections office by the seventh day following an election.

Local election officials mail ballots and state registration materials approximately 45 days before the election.

If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

If you have not received your state ballot for the general election in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter Two.

If you are using a Federal or state write-in absentee ballot and wish to obtain your state house and senate districts, go to [www.house.state.pa.us](http://www.house.state.pa.us) and click on “Find Members by Zip Code.” For a list of all Federal and state candidates by district, go to [www.dos.state.pa.us/elections](http://www.dos.state.pa.us/elections).

Pennsylvania allows you to return your voted ballot by first class mail, express mail or overnight mail. Insert the voted ballot into the inner envelope provided or into the security envelope if you are using the Federal Write-In Absentee Ballot (FWAB). Then insert the inner envelope or security envelope into the outer envelope or return envelope (if you are using the FWAB). If you use express or overnight mail, then insert the outer or return envelope into the overnight mail package and return it to your county board of elections.

## C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

## D. Electronic Transmission of FPCAs and Ballots

- Pennsylvania allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail. The original FPCA must be received prior to the election by the county election office in order for the ballot to count.
- Pennsylvania allows you to receive the blank ballot by fax if you are in a designated hostile fire, imminent danger pay, combat zone or qualified hazardous duty area.

If you receive the blank ballot by fax, you may use the Federal Write-In Absentee Ballot return envelope and

security envelope on the FVAP’s website ([www.fvap.gov](http://www.fvap.gov)) to return your ballot in secret so it will be counted.

- Pennsylvania law does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527  
(703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers

(See inside back cover)

## E. Special Write-In Absentee Ballot

A state special write-in absentee ballot is used when official absentee ballots are not yet printed. Vote the special write-in absentee ballot by writing in the names of specific candidates from the list provided. These ballots may be requested before the election, and the county must begin mailing them according to the deadlines below.

If you have requested an absentee ballot and are unable to vote during the regular absentee balloting period by reason of living or performing military service in a remote area of the world, your county must send a special write-in absentee ballot to you at least 50 days prior to a primary election and 70 days before a general election. You may use the FPCA to request this ballot. In Block 6 of the FPCA, write the following: “I am unable to vote during the regular absentee balloting period by reason of living or performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot.”

If you are not in a remote or isolated area, you may be sent a special write-in absentee ballot 45 days before a primary or general election when your county has not yet printed its official absentee ballots.

## F. Bars to Registration and Voting

Persons imprisoned for a felony conviction may not vote absentee.

## G. Action on Registration Requests

Pennsylvania sends notification of registration. 1) Mental competence is not a requirement to register and vote in Pennsylvania and 2) Reinstatement — in Pennsylvania, once a convicted felon is released from prison, he or she may register to vote.

## H. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Pennsylvania will provide you with

the reason(s) for the rejection. Persons denied registration should consult a legal assistance officer or civilian counsel.

### I. Late Registration

If you are a military voter and you are present in your voting district of residence on election day and have not already voted, you may apply in person at the county board of elections for the absentee ballot and vote it in person.

## III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and overseas electors. The term “overseas electors” means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Pennsylvania.

- U.S. Government employees overseas and their spouses and dependents (for local, state and Federal office ballots). If so, please check block 1(b) on the FPCA.
- other residents of Pennsylvania temporarily residing outside the U.S. (for local, state and Federal office ballots).
- overseas electors residing outside the U.S. permanently as defined above (for Federal office ballots only).

### A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter Two).

**If you are a civilian employee of the U.S. Government, or a spouse or dependent of a civilian employee of the U.S. Government,** the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are **not registered** you may receive, along with your ballot, a state Voter Registration Mail Application (VRMA). You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted. If you do not return the state VRMA, the ballot is counted for Federal offices only.

If you are a registered Pennsylvania elector temporarily residing outside the U.S., you may apply at any time before a primary election for an absentee ballot.

**If you are an unregistered resident temporarily residing outside the U.S.,** the County Board of Elections must receive your FPCA not later than 30 days before the election. You may receive, along with your ballot, a state VRMA if the County Board of Elections cannot determine

from the information on the FPCA whether you meet all the requirements to vote in the county. The completed state VRMA must arrive at least 30 days before the election for the ballot to be counted for all offices.

**If you are an overseas elector who does not meet the state residency requirement,** you will receive a ballot for Federal offices only.

### B. Casting Your Vote

**Ballot Return Deadline:** Voted ballot envelope must be postmarked **not later than the day before the election** and received in the County Board of Elections office by the seventh day following an election.

Local election officials mail ballots and state registration materials approximately 45 days before the election.

Pennsylvania allows you to return your voted ballot by first class mail, express mail or overnight mail. Insert the voted ballot into the inner envelope provided or into the security envelope if you are using the Federal Write-In Absentee Ballot (FWAB). Then insert the inner envelope or security envelope into the outer envelope or return envelope (if you are using the FWAB). If you use express or overnight mail, then insert the outer or return envelope into the overnight mail package and return it to your county board of elections.

**E. Special Write-In Absentee Ballot**

A state special write-in absentee ballot is used when official absentee ballots are not yet printed. Vote the special write-in absentee ballot by writing in the names of specific candidates from the list provided. These ballots may be requested before the election, and the county must begin mailing them according to the deadlines below.

If you have requested an absentee ballot and are unable to vote during the regular absentee balloting period by reason of living in a remote area of the world, your county must send a special write-in absentee ballot to you at least 50 days prior to a primary election and 70 days before a general election. You may use the FPCA to request this ballot. In Block 6 of the FPCA, write the following: “I am unable to vote during the regular absentee balloting period by reason of living in an extremely remote or isolated area of the world. I request a special write-in absentee ballot.”

If you are not in a remote or isolated area, you may be sent a special write-in absentee ballot 45 days before a primary or general election when your county has not yet printed its official absentee ballots.
