#### **Technical comments:**<sup>4</sup>

The Commission staff notes that H.R. 4532 and H.R. 4536 cover the same product. Only one bill should be enacted. The Commission staff recommends using this bill, H.R. 4536, instead of H.R. 4532, to renew the duty suspension because H.R. 4536 already references the existing HTS heading 9902.01.46. The Commission staff suggests that the article description of HTS heading 9902.01.46 be amended to use the article description on page 1 of this report in order to clarify the description. Lastly, the Commission suggests that, in line 6 of the bill, "12/31/11" be deleted and "12/31/2011" be inserted in lieu thereof.

<sup>&</sup>lt;sup>4</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
