NOTICE

**Please return this form within 2 weeks in the enclosed envelope and enter on page 3, item 7, the time it takes to complete this form.**

**This report is authorized by law (20 U.S. Code 1221e). Your answers will be kept confidential and will be used only for statistical purposes.**

DEAR PRINCIPAL:

▶ Why does the National Center for Education Statistics (NCES) conduct the Schools and Staffing Survey (SASS)?

• The SASS is designed to measure critical aspects of schooling and teaching, the composition of the principal and teacher work force, and conditions in schools.

▶ What do you need from my school?

• A list of all of the full-time and part-time teachers who teach at this school.

• Please see the reference card on page 4 for important information about the listing form.

A removable reference card is printed on the last page of this questionnaire.

▶ What happens to the information I report?

• A sample of teachers will be selected for the Teacher Survey component of SASS. The selected teachers will receive survey questionnaires which ask for information on their educational background, work experience, and attitudes toward teaching.

▶ Why is my participation important?

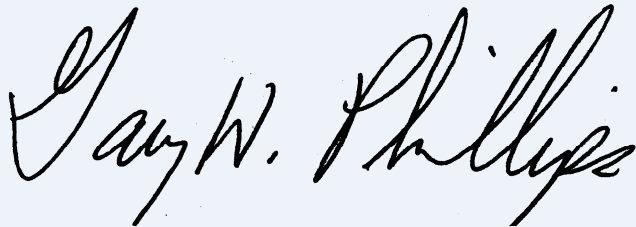

• Only a small number of schools is selected to participate in SASS. Therefore, your school represents many other schools.

▶ How does NCES protect the confidentiality of the information I provide?

• All survey information collected will be presented as aggregated figures only, with no individually-identifying information.

THANK YOU FOR YOUR COOPERATION.

SINCERELY,

GARY W. PHILLIPS  
ACTING COMMISSIONER OF EDUCATION STATISTICS
