CONTINUING LEGAL EDUCATION

SELF-CERTIFICATION

The U.S. Office of Government Ethics (OGE) does not submit its training courses for Continuing Legal Education (CLE) approval to any bar association, due to resource limitations and the differing requirements of the many associations. Therefore, obtaining credit is a personal matter between the individual and his/her association.

To claim CLE credit, please complete this form and forward to your bar association. Individual bar associations will determine the amount of credit to be allowed. Requirements vary so please check your association's CLE rules.
