

Part 2:  
Integrated Treatment for Veterans With  
**Bipolar Disorder**  
*and* SUBSTANCE ABUSE

The Department of Veterans Affairs Employee Education System, the Pharmacy Benefits Management Strategic Healthcare Group, and the VA Medical Advisory Panel, with the acknowledgement of the VHA Center for Excellence in Substance Abuse Treatment and Education (CESATE), and the Department of Veterans Affairs Office of Mental Health Services present: **Course No. 06.PHARMSUBSTANCE.B** in cooperation with The Southern California Institute for Research and Education.

The goal of the VHA Pharmacy Benefits Management Strategic Healthcare Group and the VA Medical Advisory Panel (PBM-MAP) Broadcasts is to ensure that VHA healthcare professionals, leaders and managers are well informed about the responsible use of pharmaceuticals in the care of veterans and that the information is timely and presented within the context of contemporary drug therapy goals of the department. To ensure that this goal is achieved, the PBM-MAP Broadcasts are governed and advised by a steering committee composed of PBM clinical staff, MAP members, VISN Formulary Leaders (VFL), and EES staff. The PBM-MAP Broadcast Steering Committee will maintain an active dialogue with VA Clinical Chief Consultants, private sector, and other governmental pharmaceutical practitioners and researchers regarding program selection and appropriateness of content.

***Americans with Disabilities Act Policy***

The Employee Education System (EES) wishes to ensure no individual with a disability is excluded, denied services, segregated, or otherwise treated differently from other individuals participating in its educational activities, because of the absence of auxiliary aids and services. If you require any special arrangements to attend and fully participate in this educational activity, please contact your local satellite coordinator.

***Accreditation Deadline Date***

Completed applications are due at the EES, Birmingham Employee Education Resource Center, on or before July 28, 2006. Mail the completed satellite registration form, program evaluation form, and faculty evaluation form to: Birmingham Employee Education Resource Center, Attn: SDU, 950 N. 22nd St., Suite 500, Birmingham, AL 35203. Continuing education credit will not be offered by EES for viewing either the broadcast, rebroadcast or a tape of the broadcast after July 11, 2006. Information on participation may be obtained from Peggy Kennedy, Program Manager, EES, Birmingham Employee Education Resource Center, phone, 205.731.1812 x210; e-mail, Peggy.Kennedy@lrn.va.gov.

For more information about the products and services provided by the Employee Education System, visit our website at <http://vaww.ees.lrn.va.gov/>.

University of Toledo  
Toledo, Ohio

***Amy M. Kilbourne, PhD, MPH***  
Assistant Professor of Medicine and Psychiatry  
Associate Director, Implementation Research Core  
VA Pittsburgh Center for Health Equity  
Research and Promotion  
Pittsburgh, Pennsylvania

## ***Purpose***

To assist participants and educate healthcare providers by reviewing up-to-date information on the prevalence, natural history, and treatment of comorbid bipolar disorders with psychoactive substance abuse.

## ***Target Audience***

The program is intended for VHA physicians, nurses, and clinical pharmacy staff, clinical psychologists involved in diagnosing and treating patients with substance use disorder (SUD) and bipolar disorder. Other VHA staff may also find this a helpful introduction to the diagnosing and treating of patients with bipolar disorder and SUD.

## ***Learning Objectives***

- Describe the importance of identifying and treating bipolar disorder among patients with SUDs as early as possible
- Describe how bipolar patients' SUDs might be addressed and treated
  - Describe psychosocial interventions (service, intensive)
  - Describe integrated care, case management, residential, recovery, and other treatment models
- Describe appropriate psychopharmacology treatment of bipolar among patients with SUDs

## ***Program Benefits***

- Nationally recognized faculty presenters with unique insights
- Interactive Q & A session to enrich educational experience
- Current information relevant to VHA patient populations
- Live training with minimal time investment
- Improved patient care through updates on treatment recommendations
- Quality educational experience without travel or extended time away from regular duties

## ***Broadcast Slide Presentations***

The broadcast slide presentations can be downloaded and printed from <http://vaww.pbm.va.gov/pbm/dislearning.htm> or <http://www.pbm.va.gov/pbm/dislearning.htm>.

## ***View Broadcast Online on CDN***

The broadcast can be viewed online at <http://vaww.vakncdn.lrn.va.gov/>.
