MEMORANDUM

TO: Designated Agency Ethics Officials

FROM: Joseph Gangloff
Deputy Director

SUBJECT: Due Dates for Public Financial Disclosure Reports of Executive Branch Officials
Required to File with the U.S. Office of Government Ethics (OGE)

The primary tool OGE uses for identifying and resolving potential conflicts of interest is financial disclosure. Through this process OGE and agencies can assure the President and Congress that appointees to the highest level of Government positions will be free from conflicts of interest.

Annual public financial disclosure reports (Standard Form 278) are to be filed with the appropriate department or agency no later than May 15 (Title I of the Ethics in Government Act of 1978). Each Designated Agency Ethics Official (DAEO) is to ensure that each report filed is reviewed within sixty days. The Standard Form 278 of Presidential appointees confirmed by the Senate (PAS) and DAEOs must be submitted to this Office for final review and certification.

In recognition of the granting of filing extensions, OGE is reissuing the filing schedule from last year's filing cycle. All annual Standard Form 278s for PAS officials and DAEOs filed by May 15, 2007, are to be certified and submitted to OGE as soon as approved by your agency or department, but no later than August 1, 2007. For those PAS officials for whom you have granted filing extensions, please see the table below for the appropriate certification and transmittal dates. Reports are to be certified and submitted for each of your PAS officials and the DAEO by the transmittal deadline.

Timely filing of public financial disclosure reports bolsters public confidence in government processes, enhances employee respect for the ethics program and prevents embarrassment of filers. Therefore, if you are unable to certify a report within the given time frame, please make your OGE desk officer aware of the reason for the delay. We are happy to assist in any way we can to help you obtain the information needed to certify the report. These reports are for the top executive branch officials, and it is vital that their reports be reviewed and certified by both of our offices as soon as possible.
