Washington, DC**

In the Matter of

CERTAIN PURPLE PROTECTIVE GLOVES

Investigation No. 337-TA-500

ORDER

The U.S. Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain purple protective gloves previously attempted to import the article into the United States; (ii) Customs previously denied entry of the article into the United States by reason of a final exclusion order; and (iii) upon such previous denial of entry, the Secretary of the Treasury provided the owner, importer, or consignee of the article (or the agent of such person) with written notice of the aforesaid exclusion order and the fact that seizure and forfeiture would result from any further attempt to import the article into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the article would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby ORDERED:

1. Purple protective gloves that are imported in violation of the exclusion order in the above-captioned investigation are to be seized and forfeited to the United States, if imported by the following firm: Durasafe, Inc. 18400 E San Jose Avenue, City of Industry, California, 91748.

2. The Secretary shall serve copies of this order on the Secretary of the Treasury; U.S. Customs and Border Protection, Washington, D.C.; U.S. Customs and Border Protection, Long Beach, California; the firm listed in paragraph 1 above; and counsel for Kimberly-Clark Corporation, the complainant in Inv. No. 337-TA-500.
