## WHY VA?

### ★ THE BEST CARE

**VA – Keeping the Promise to Those Who Served**

More than a century ago, President Lincoln made a promise to America's servicemen and women, pledging the care and concern of a grateful nation for the sacrifices they made to preserve freedom. Since 1930, the mission of the Department of Veterans Affairs (VA) has been to keep that promise. Today, VA offers veterans one of the largest, most comprehensive health care systems in the United States with more than 163 medical centers, 800-plus ambulatory and community-based outpatient clinics, 135 nursing homes, and many other facilities such as domiciliaries and readjustment counseling centers.

### ★ THE BEST EMPLOYMENT

**VA and Licensed Practical/Vocational Nurses**

VA values the commitment its LPN/LVN make to providing quality health care for our Nation's veterans. In return, VA offers its LPN/LVNs first-rate employment benefits, as well as employment opportunities that truly open career doors. Nurses choose the VA system for its extensive education support and tuition reimbursement programs, its technology-driven patient care, nationwide job transfer opportunities, and ample paid leave. Nurses also choose VA for the opportunity to care for America's veterans. As a VA LPN/LVN, you play an essential role in keeping the promise to those who served.

*“To Care for Him Who Shall Have Borne the Battle and for His Widow, and His Orphan.”*

*- Abraham Lincoln, March 1865*

### LIABILITY PROTECTION

The United States Government accepts full responsibility and liability for the actions of its employees during the exercise of their official duties. **Upward Mobility Training Programs** – These programs offer, on a competitive basis, opportunities to advance to higher level positions.

**In-service Education Programs** – These programs are offered locally and through VA Employee Education System (EES).

**Employee Incentive Scholarship Program (EISP)** – This scholarship program allows VHA employees to further their education and obtain degrees qualifying them for health care positions for which recruitment and retention is difficult (such as LPN to RN).

**Tuition Support Program** – Employees in health care disciplines identified as VA shortage categories may be eligible for funding to enroll in job-related courses, continuing education courses, and conferences.

**Tuition Reimbursement Program** – Tuition reimbursement may be available to full-time VA employees who are enrolled in any accredited nursing degree program, from associate to doctoral degrees. Prerequisite courses required for acceptance into a degree program are also funded.

**Education Debt Reduction Program (EDRP)** – The EDRP allows VA to provide education loan repayments for newly hired health care professionals. The education loan(s) must be for courses that led directly to qualifying for the hired position.

*“I strongly recommend VA. Where else can you receive great annual leave, sick leave, and military leave, plus expand your knowledge and continue your education? Most employers offer 70% or 80% tuition reimbursement. At VA, you can get full help with your education with a commitment on your part. VA really supports its LPNs.”*
