OFFICE OF GOVERNMENT ETHICS

Submission of Executive Branch Confidential Financial Disclosure Reporting Format for Extension of OMB Approval Under the Paperwork Reduction Act

AGENCY: Office of Government Ethics (OGE).

ACTION: Notice.

SUMMARY: The Office of Government Ethics has submitted the Standard Form (SF) 450 Executive Branch Confidential Financial Disclosure Report, along with its underlying regulatory provisions for a two-year extension of Office of Management and Budget (OMB) approval under the Paperwork Reduction Act.

DATES: Comments on this proposal should be received by July 31, 1995.

ADDRESSES: Comments should be sent to Joseph F. Lackey, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; telephone: 202-395-7316.

FOR FURTHER INFORMATION CONTACT:

Heather N. Sigrist or William E. Gressman, Office of Government Ethics, Suite 500, 1201 New York Avenue NW., Washington, DC 20005-3917; telephone 202-523-5757, FAX 202-523-6325. A copy of OGE's request for extension from OMB, including a copy of the SF 450 Confidential Financial Disclosure Report, may be obtained by contacting Ms. Sigrist or Mr. Gressman.

SUPPLEMENTARY INFORMATION: The Office of Government Ethics is submitting the SF 450 Confidential Financial Disclosure Report, and the underlying regulatory provisions primarily at subpart I of OGE's 5 CFR part 2634 regulation, for renewed approval by OMB under the Paperwork Reduction Act (44 U.S.C. chapter 35). The SF 450 serves as the uniform report form for collection, on a confidential basis, of financial information required by the OGE regulation from certain new entrant and incumbent employees of the executive branch departments and agencies in order to allow ethics officials to conduct conflict of interest

reviews and resolution of any actual or potential conflicts found.

The basis for the OGE regulation and the SF 450 is two-fold. First, section 201(d) of Executive Order 12674 of April 12, 1989 (as modified by Executive Order 12731 of October 17, 1990) makes OGE responsible for the establishment of a system of nonpublic (confidential) financial disclosure by executive branch employees to complement the system of public disclosure under the Ethics in Government Act of 1978 (the "Ethics Act"), as amended, 5 U.S.C. appendix. Second, section 107(a) of the Ethics Act further provides authority for OGE as the supervising ethics office for the executive branch of the Federal Government to require that executive agency employees file confidential financial disclosure reports, "in such form as the supervising ethics office may prescribe." The SF 450, together with the underlying OGE regulation, both adopted in 1992 after appropriate clearances from OMB as well as the General Services Administration (GSA) for the form, constitute the form OGE has prescribed for such confidential financial disclosure in the executive branch.

The Office of Government Ethics has submitted this confidential financial disclosure form package for a two-year extension of Office of Management and Budget (OMB) approval under the Paperwork Reduction Act. A new OGE form 450 to replace the SF 450 is anticipated in the next year or two (see the further discussion below).

Since the OGE's financial disclosure regulation at 5 CFR part 2634 and the reporting format were adopted in 1992, there have been certain revisions to each. The most significant of these is the determination of OGE to exclude from general executive branch confidential financial disclosure the reporting of cash accounts in depository institutions (including banks), money market mutual funds and accounts and U.S. Government obligations and securities. See 58 FR 63023-63024 (November 30, 1993). The Office of Government Ethics has directed executive departments and agencies to notify all filers of this change, which is not reflected on the SF 450 itself. The new OGE replacement form will reflect that change as well as various other changes and improvements in the reporting format. Once ready, it will likewise be submitted for OMB paperwork approval, after which it will supersede the SF 450. Again, OGE expects that the new form will be ready, after OMB clearance, for dissemination to executive branch departments and agencies in the next

year or two. The Office of Government Ethics will provide appropriate guidance and phase-in time to departments and agencies once the new form is available.

For now, the SF 450 Confidential Financial Disclosure Report, available from GSA, continues to serve as the standard form for executive branch collections of confidential financial information required by 5 CFR part 2634 (see § 2634.601(a) and subpart I), for both regular and special Government employees SGE. Since 1992, various agencies have developed, with OGE review/approval alternative reporting formats, such as certificates of no conflict, for certain classes of employees. Other agencies provide for additional disclosures pursuant to independent organic statutes. However, the SF 450 remains the uniform executive branch report form for most executive branch employees who are required to report confidentially on their financial interests. The SF 450 report form is filed by each reporting individual with the designated agency ethics official at the executive agency where he or she is or will be employed.

Reporting individuals are regular employees whose positions have been designated by their agency as requiring confidential financial disclosure in order to help avoid conflicts with their assigned responsibilities; additionally, all special Government employees are generally required to file. Agencies may, if appropriate under the OGE regulation, exclude employees or SGEs as provided in 5 CFR 2634.905. Reports are normally required to be filed within 30 days of entering a covered position (or earlier if

required by the agency concerned), and again annually if the employee serves for more than 60 days in the position. As indicated in § 2634.907 of the OGE regulation, the information required to be collected includes assets and sources of income, gifts and travel reimbursements, liabilities, employment agreements and arrangements, and outside positions, subject to certain thresholds and exclusions.

Most of the persons who file this report form are current executive branch Government employees at the time they complete the forms. However, some filers are private citizens who are asked by their prospective agency to file a new entrant report prior to entering Government service in order to permit advance checking for any potential conflicts of interest and resolution thereof by agreement to recuse, divest, obtaining of a waiver, etc. Based on OGE's annual agency ethics questionnaire responses, approximately 285,000 SF 450 report forms were filed during 1994 throughout the executive branch. Of these, OGE estimates that no more than 10%, or some 28,500 per year at most, are filed by private citizens, those potential regular employees whose positions are designated for confidential disclosure filing as well as potential special Government employees whose agencies require that they file their new entrant reports prior to assuming Government responsibilities.

Each filing is estimated to take an average of one and one-half hours. The number of private citizens whose reports are filed each year with OGE is less than 10, but pursuant to 5 CFR

1320.7(s)(1), the lower limit for this general regulatory-based requirement is set at 10 private persons (OGE-processed reports). This yields an annual reporting burden of 15 hours, the same as in the current OMB inventory for this information collection. The remainder of the private citizen reports are filed with other departments and agencies throughout the executive branch.

Approved: June 26, 1995.

Donald E. Campbell,
Deputy Director, Office of Government Ethics.
