

Pre-K to 2nd Grade: Blue
3rd & 4th Grade: Green
5th & 6th Grade: Red

July 2008

SUN	MON	TUES	WED	THURS	FRI	SAT
		 Do you know the life cycle of a butterfly? What do butterflies do at night? Which butterfly flies 1,000 miles?		 Sing – “The Ants Go Marching...”	 Give the U.S.A. a birthday party.	
	 Practice being an “insect”. bees - bzzzz crickets - chirp grasshoppers – hop		 What did one firefly say to the other firefly? <i>Ready, Set, Glow!</i>		 Have a summer storytelling evening. Everyone has 5-10 minutes to share their favorite story and a cool treat.	 Find a book about the “metamorphosis” of a bee. How does a bee communicate?
		 Write a story with you as the character. Draw pictures for your story.		 Check out a book, tape, or video about a famous American.		 Ask permission to call Grandma or Grandpa to read a story to you over the phone.
 What do you call a 100-year-old ant? <i>An antique!</i>			 Who sat on a tuffet eating her curds and whey? Do you know other poems about insects?			 Write a short story that begins with “When I got home, my pet tarantula was missing.”
	 Visit a museum to see what kinds of insects live by the ocean, in the desert, or in the mountains.	 What insect gives us a food item? Have a lunchtime sandwich and read about this remarkable insect.
