I. BACKGROUND

1. At its 26th Session, the Harmonized System Committee unanimously agreed that the classification of the two INN products in question, namely midaxifyline and corifollitropin alfa (Annex G/22 to Doc. NC0340E2) should be referred back to the Scientific Sub-Committee for its views on the matter.
2. The comments of the Canadian Administration and the Secretariat on this issue were set out in Docs. NC0331E1 and NC0322E1, respectively.

II. CONCLUSION

3. The Sub-Committee is invited to give its views with regard to the appropriate heading and subheading for the two products.
