I. BACKGROUND

1. At its 23rd Session (May 1999), the Harmonized System Committee examined the classification of a plastics article consisting of two plastics bottles for use by children for carrying beverages. The Committee finally decided to classify this product in subheading 3924.90.
2. To reflect this decision, the Secretariat was instructed to prepare a draft Classification Opinion and amendments to the Explanatory Notes to be examined by the next preessional Working Party.

II. SECRETARIAT COMMENTS

3. Acting on the Committee's instructions, the Secretariat has prepared draft Classification Opinions and Explanatory Notes amendments. These drafts are set out in the Annex to this document. With regard to the proposed Explanatory Notes amendment, the Secretariat has proposed to delete the reference to "luncheon boxes" in the English text and to substitute "food storage containers" in an alignment on the French text (see para. 4 of Annex IJ/4 to Doc. NC0090E2).

File No. 2726

III. CONCLUSION

4. The Committee is invited to approve the proposed amendments to the Compendium of Classification Opinions and to the Explanatory Notes, as set out in the Annex, once they have been finalized by the presessional Working Party.
